Mounting Brackets

Mounting Brackets for the Stiks make new build installation simple. Mount base to each side of the return — insert Stik onto threaded base and adjust using wing nut to desired position and tighten.

Stik Mounting Bracket for use with Qwik Stik products. Use two per rod.

Tighten wing nut at each end to adjust height and stabilize Stik.
LEDs may be pointed to sign face or return depending on depth of face.

Product	Part Number
Mounting Bracket	PL-MB (A-QSMH-ABKT)

Principal LED is adopting new Part Numbers as of June 4, 2018. These new numbers are in parenthesis, i.e. (x). We will happily work with either part number to serve our customers until further notice.

Tighten wing nut at each end to adjust height and stabilize the Qwik Stik.

LEDs may be pointed to sign face or return, depending on depth to face.
