Street Wrap™

The highly anticipated border tubing product now available from Principal LED. Lit by the industry-trusted Street Fighter™ Color modules.

**FEATURES**

- Street Wrap™ components allow for easy cutting — no pricey custom work required
- Purchase in standard lengths and cut to size
- Module design allows for easy customization
- Bright, eye catching lighting option with neon-like appeal
- Colored housings provide color when not lit during the daytime
- PVC housing is UV and impact resistant
- Polyurethane lens with matching housing for bold color
- Available in standard White, Red, Green, Blue and RGB
- Specialty custom colors also available
